

# KINGDOM-CENTERED PRAYER

## July/ August 2023 Kingdom Prayer Guide

We hope you will be encouraged by the powerful ways God is building His Kingdom and discover ways to pray for missionary teams, their ministry partners, and the people they serve around the world. To learn more, please visit [serge.org](https://serge.org).

Please feel free to share this guide!

### EUROPE

Praise God for English Camps in Spain this summer, an outreach ministry organized by multiple teams. One of these camps welcomed over 90 campers, including several families from Muslim backgrounds. Praise the Lord for the seeds planted and continue to pray for opportunities to forge deeper connections with these families.

Please lift up book table conversations happening on the streets of London, as our teams connect with a diverse range of individuals. Pray that these conversations would be filled with grace and understanding, spark genuine curiosity and lead to lasting connections.

### LATIN AMERICA

Please pray for the pressing needs of many people in the Dominican Republic who are grappling with the lack of access to any form of reliable water. In certain locations, the situation is dire, with no water flowing from taps for over a year. Pray for the steadfast commitment of those officials who have promised support and for this essential project to move forward, providing relief to those in need and transformation in the lives of those affected.

### EAST AND CENTRAL AFRICA

Please pray for one of our teams in Kenya as they train ministry leaders in *Sonship-by-Story*, an adapted version of the *Sonship* materials for those who primarily learn through oral traditions, including some of the most unreached people groups. Pray for open hearts to receive this transformative training and for the gospel's fruit to flourish in their lives, churches, and communities.

# KINGDOM-CENTERED RENEWAL

## EAST ASIA

Pray for our team in Tokyo as they work towards church revitalization and the establishment of new churches among the Japanese community, the 2nd largest unreached people group in the world. Please pray for increased opportunities for them to develop genuine friendships with their Japanese neighbors and for their continued collaboration as they endeavor to sow the seeds for a church plant (or potentially multiple churches) in their local area.

## NORTH AMERICA

Please pray for the second season of *Grace at the Fray* Podcast which launches in September. Lift up our Renewal Team as they seek to tell the marvelous story of how grace can transform lives and lead people into places of sacrifice and love for others.
