## Spring 2024 Kingdom Prayer Guide

We hope you will be encouraged by the powerful ways God is building His Kingdom and discover ways to pray for missionary teams, their ministry partners, and the people they serve around the world. To learn more, please visit [serge.org](https://serge.org).

Please feel free to share this guide!

### EUROPE

Please pray for the local European pastors. Pray for their faithfulness, for them to experience the reality of the gospel personally, and for the Lord to sustain them in their work. Healthy churches depend on healthy leadership.

Please pray for the upcoming church women's retreat in Prague. Specifically, pray for the leaders as they prepare and for stronger bonds within the community of women attending. Additionally, pray for everyone to grow in their relationship with the Lord during the retreat.

### EAST AND CENTRAL AFRICA

Please pray for our national partners and our relationships with them in Burundi. Pray for our hospital faculty as we teach, mentor, and disciple the residents. Please pray for our residents as they prepare for their upcoming annual exam in June.

Please pray for the medical clinic in East Africa that recently moved to a new location, deeper in the refugee community. Pray it would pass inspection so it can begin seeing patients.

### SOUTH ASIA

Please pray for our South Asian business and for the women it employs. These women receive special emotional care as they transition out of the red light district, and hands-on baking training.

### EAST ASIA

Please pray for our team as they seek to live out their vision of seeing Japanese leaders thrive in their calling to reach Japan and plant new gospel-proclaiming churches across the country.

## LATIN AMERICA

Please pray for the Serge team in Peru as they explore how to serve a very large immigrant population who has fled from political instability in a neighboring country.

Please pray for the Guatemalan team and local church volunteers who have started an addiction recovery group for people living on the streets.

## NORTH AMERICA

Thank God for the magnificent ways He worked during our recent Gospel-Centered Life Weekend in Minnesota to help attendees hear, experience, and be re-astonished by God's grace and what it means to live in light of the gospel in everyday life.

Pray for the Renewal team as we plan future retreats, mentor and train pastors and ministry leaders, and develop podcasts and other resources that we would see our own needs and frailties ever more clearly so that we repent more deeply and run to Jesus more readily.

Pray for the impact of our work on God's global church. Pray that God would prosper our efforts and raise up a new generation of Christians who are staggeringly in love with God and His grace and compelled to live life on mission with Him.

Serge is an international missions organization that sends and cares for missionaries, mentors ministry leaders around the world, and develops resources for gospel renewal.
