

KINGDOM-CENTERED LEAP WEEK

Summer 2024 Kingdom Prayer Guide

We hope you will be encouraged by the powerful ways God is building His Kingdom and discover ways to pray for missionary teams, their ministry partners, and the people they serve around the world. To learn more, please visit serge.org.

Please feel free to share this guide!

EUROPE

Lift up our teams in Southern Spain — pray for the gospel seeds planted through English Camp to be watered and grow among the kids and teens who attended, and that the gospel would spread to families and into immigrant communities. Also, pray on behalf of our team's work to open a community center. This area of the city is home to 40,000 Spaniards and immigrants and is in desperate need of the gospel of grace.

Praise God for the ways He has expanded our UK teams and their reach to allow 100 people to attend our LEAP week. Attendees arrived from all over the U.S. to learn about South Asian religions and ministries and participate in a variety of training and outreach events.

EAST AND CENTRAL AFRICA

Praise God that all of our Serge Central & East Africa teams were able to meet together on the Kenyan coast this Summer. There was much connection, renewal, rest, and encouragement, but also significant time to grieve and pray.

SOUTH ASIA

Lift up our teams in South Asia as they reach into communities with Christ's love through medical care. Praise God for providing funds to keep a missionary-run clinic opened and pray for His hand over plans to rent more space to be able to expand medical services, including much needed psychiatric care (specifically for children).

Pray for more new opportunities for our teams to be involved with local kids - through regular community gathering, through ESL tutoring, and through summer camps.

KINGDOM-CENTERED RENEWAL

EAST ASIA

Praise the Lord for new seminary graduates. Lift up these Japanese brothers and sisters who are transitioning into seasons of preparation for various ministries. Cry out for the Spirit's help and guidance over the team leaders in Japan as they continue to lead and lay down their lives to see the Japanese people come to Christ.

NORTH AFRICA

Pray for the exciting prospect of our newest project created by workers in North Africa — they are raising capital to start a cafe that will benefit the community in many ways. Also, lift up the new export business that has been established by our workers.

LATIN AMERICA

A Gospel-Centered Life weekend was held in Lima, Peru. The 30 church leaders who attended were deeply impacted. Pray that the Gospel would run wild among them and their churches.

NORTH AMERICA

Thank God for the growing interest from churches in hosting [Serge Renewal events](#). Pray for our upcoming events in North Carolina, South Carolina, and Montana, that the Spirit would prepare attendees to hear and experience God's grace anew. Lift up event staff and speakers, that we would see our own need for Jesus more clearly.

Pray for those God is leading to join new Fall cohorts for [Discipleship Lab](#) and [Leadership Lab](#). Pray for the Spirit to move in and through them to create movements of grace that renew churches and communities worldwide.

Serge is an international missions organization that sends and cares for missionaries, mentors ministry leaders around the world, and develops resources for gospel renewal.
