Fall 2024 Kingdom Prayer Guide

We hope you will be encouraged by the powerful ways God is building His Kingdom and discover ways to pray for missionary teams, their ministry partners, and the people they serve around the world. To learn more, please visit serge.org.

Please feel free to share this guide!

EAST AND CENTRAL AFRICA

Lift up newly-baptized believers in East Africa. Pray that as they have publicly declared their faith among other believers that the gospel would continue to take deep root in their hearts. Pray for the teams and area directors in the East and Central Africa region, for the Spirit to lead them into loving, growing trust and vision.

EAST ASIA

Praise the Lord for Serge's growing presence in Asia and for the ability to come together in collaboration and rest for our first ever "Asia Area Retreat." Pray boldly for the expansion of God's Kingdom in this spiritually dark part of the world. Also, pray for one of our partner churches in Japan. They have recently rewritten their church constitution and will walk the congregation through the changes, moving toward electing elders over the next year.

EUROPE

Pray for wisdom and love to flow out of our Serge workers as they minister to Roma men and women in specific and unique ways. Pray for women's Bible studies, instrument-building workshops with teenagers, and the marriage and subsequent baptisms of a couple to bear much gospel fruit.

Pray for the local church pastors of Vienna. Spiritual warfare is very real and pastors can regularly experience attack. Pray for their encouragement in Christ, for them to shepherd their churches well and be able to flourish in their families and callings.

SOUTH EAST ASIA

Clean-up has begun after devastating flooding in the northern Thailand city of Chiang Mai. One of our team's Business for Transformation has been affected where the water rose waist-high. There is much destruction throughout the city. Praise God for the many countless believers who have already chipped in. Pray for God's people to continue to mobilize in caring for and helping those affected and displaced in this challenging time.

RENEW

LATIN AMERICA

Please pray for the government of Lima, Peru, to find a way to stop the gang violence toward transportation workers, and for the families most affected by this violence to find hope and comfort in Jesus.

Praise God for the doors He is opening in the Dominican Republic, specifically through our team's bakery pilot project. Praise Him for recent opportunities to share the team's vision of offering baked goods to their community while offering them the Bread of Life, to locals and local officials, government leaders, and even the Japanese ambassador. Pray for great gospel-influence of this team among their community.

NORTH AFRICA

Praise God that the paperwork was finalized for the new export business that has been established by our workers in North Africa.

NORTH AMERICA

Thank God for using Renewal programs to spur gospel transformation in thousands of people and equipping them to help others experience the same. Pray for quicker, deeper repentance for our staff as God reveals our own grace-resistance. Ask the Spirit to draw many to our [Gospel-Centered Life Weekends](#) in Pennsylvania and South Carolina and help them experience God's love and grace anew. Lift up those in [Discipleship Lab](#), [Leadership Lab](#), and [Mentored Sonship](#) that they would be encouraged and spark movements of grace in churches and communities worldwide.

Thank the Lord for protecting our team members in hurricane-affected areas and for gospel revival in their communities as they love and serve there.

Serge is an international missions organization that sends and cares for missionaries, mentors ministry leaders around the world, and develops resources for gospel renewal.
