## Winter 2025 Kingdom Prayer Guide

We hope you will be encouraged by the powerful ways God is building His Kingdom and discover ways to pray for missionary teams, their ministry partners, and the people they serve around the world. To learn more, please visit [serge.org](http://serge.org).

Please feel free to share this guide!

### EAST AND CENTRAL AFRICA

Pray for the medical clinic in East Africa as they establish a mental health initiative, offering counseling and training. Pray for wisdom, as there are many who desire counseling, but the stigma associated with seeking help is still strong. Also, prayer is needed for the clinic as they seek an East African manager/medical professional who understands their spiritual vision and mission.

As political unrest mounts in East Africa, ask God to manifest his glory in and through the team there as they seek to continue to demonstrate his unending love in an unstable environment. Pray for more opportunities to build relationships that will lead to gospel conversations with neighbors, co-workers, and friends. Ask God to bless the children of our mission families in good friendships with neighborhood children despite barriers of language and culture.

### EAST ASIA

Pray for the lay leadership at Dendoukan (Church) in Tokyo in a time of great transition as they seek the Lord's provision for a full-time pastor. Pray that the Lord would protect His people and that they would be unified and Spirit-led as they move forward in "re-planting" the church. Pray also for our missionaries to communicate their needs well to one another and support each other in the midst of this transition, and that God would raise up more laborers in Japan.

### EUROPE

Praise God for the forging of good relationships with other churches in the Czech Republic. Recently, three churches came together to worship Jesus in three languages (Czech, Ukrainian, and English) on a Sunday morning. Pray for more strengthening of these relationships with other bodies of believers in the city of Prague.

### SOUTH ASIA

Praise God for a new teammate joining our South Asian team as a palliative care nurse. Pray practically for the swift arrival of her visa and that her Heavenly Father would prepare her heart and spirit to be gentle to love patients and families in difficult circumstances.

Pray over ongoing security issues in South Asia. As this area of the world becomes increasingly hostile to Christianity, pray for wisdom for our team.

# RENEWAL

## SOUTH EAST ASIA

Pray for those in Thailand to come to know Jesus and for the gospel to continue to spread, especially in unreached areas. Pray for open hearts, boldness among believers, and for the peace of Christ to transform lives.

In a recent study, 79% of Thai women who experienced abuse reported that no one was helping them improve the situation. Our workers are combating that in multiple ways, most recently with an instructive course. Please pray for our workers as they equip and empower countless women in abusive relationships.

## LATIN AMERICA

Pray for Guatemala and the Guatemalan church, which is struggling with false gospels, crises of leadership, and all the attendant messiness of being the Church in the world. Pray against potential destabilizing changes to the economy if mass deportations and cutting off of remittances actually occur. Also, pray for renewal and encouragement for the team there as they work for gospel renewal and the holistic health of impoverished communities.

## NORTH AFRICA

Cover our North Africa teams with prayer as they pour into various Businesses for Transformation. Lift up our missionaries who are longing to start a coffee shop to better connect with their community through an inviting space. Pray for God's guidance in decision-making, finances, and trusting in His plan.

Praise God! After so many months of working, waiting, and praying, our team's export business is fully operational. Continue to pray for potential partnerships with local artisans and other connections to purchase goods. Ultimately, pray that the team and local business people will be able to support each other's work for the sake of the Kingdom messaging going forth.

## NORTH AMERICA

Thank God for using Renewal programs to spur gospel transformation in thousands of people and equipping them to help others experience the same. Pray for quicker, deeper repentance for our staff as God reveals our own resistance to grace and for wisdom and perseverance as we revise program curricula. Ask the Spirit for those attending upcoming [Gospel-Centered Life Weekends](#) to experience God's love and grace anew. Lift up those in [Discipleship Lab](#), [Leadership Lab](#), and [Mentored Sonship](#) that they would be encouraged and spark movements of grace in churches and communities worldwide.
